Pharma workers end strike

SOLAN, NOVEMBER 3

The over three-week-long hunger strike by workers of Sun Pharma at Paonta Sahib was resolved with the intervention of the Labour Commissioner last evening.

Labour Commissioner Amit Kashyap said the management had agreed to pay all terminal benefits to the 28 security guards whose services had been terminated. They would also be entitled to salary for the notice period by the company, he said.

The employees whose services were terminated had initially sat on an agitation and later went on a hunger strike from October 10. — TNS
