

## Venus Remedies unit gets GMP certification

**PRESS TRUST OF INDIA**

Chandigarh, February 5

Drug major Venus Remedies today said it has got good manufacturing practices (GMP) certification from Indonesia for its unit located at Baddi in Himachal Pradesh.

The Indonesian National Agency for Drug and Food Control granted the certification after an extensive review and audit of the facility, said a company statement issued here today. "....such recog-

nitions for our manufacturing facilities and consistent quality of our procedures and practices open opportunities to expand our product portfolio," said Manu Chaudhary, Joint Managing Director.
