## **Jubilant, Janssen expand collaboration**

**Mumbai:** Jubilant Biosys, the Bangalore-based subsidiary of drug and food

company **Jubilant Life Sciences Ltd**, said on Thursday it has expanded its drug discovery alliance with Belgian drug researcher **Janssen Pharmaceutica NV** to multiple therapeutic areas.

The Jubilant-Janssen collaboration, signed in 2011, was aimed at delivering pre-clinical drug candidates to Janssen.

(The promoters of HT Media Ltd, which publishes Hindustan Times and Mint, and Jubilant Life Sciences are closely related. There are no promoter crossholdings.) **C.H. UNNIKISHNAN**
