Drugs seized from courier agency

Mumbai: The Air Intelligence Unit (AIU), on specific information, raided a godown of a courier agency on Saturday night in Chakala, Andheri and seized 25kg of banned narcotic substance Methaqualone valued at around ₹12 crore. The parcel was destined for London. The AIU officials have succeeded in apprehending two people in this connection from the western suburbs. According to AIU, they received an input from a reliable source that two cartons would be sent to London through courier on a flight scheduled on Saturday night.
