**DRL launches cholesterol lowering drug in U.S.**

HYDERABAD: Dr. Reddy's Laboratories has announced the launch of Amlodipine Besylate and Atorvastatin Calcium tablets, a therapeutic equivalent generic version of CADUET, a cholesterol lowering drug, in the U.S. market. The launch follows the approval from the United States Food and Drug Administration. DRL's Amlodipine Besylate and Atorvastatin Calcium tablets will be available in bottle counts of 30 and 90, says a release. —
