Dr Reddy's launches antidepressant in the US

Our Bureau

Hyderabad, March 3

Pharma major Dr Reddy's Laboratories Ltd has launched Ziprasidone Hydrochloride capsules, a bioequivalent generic version of Geodon, in the US market.

The Geodon brand had US sales of approximately \$1.34 billion for the most-recent twelve months ended December 2011, according to IMS Health, the company said in a release on Saturday.

The drug is indicated for the treatment of depression symptoms associated with schizophrenia.
