### Venus gets nod to market cancer drug in West Asia

Venus Remedies on Thursday said it has received approval from the Gulf Cooperation Council (GCC) to market its cancer and antibiotic medicines in all the GCC countries. "The GCC combined pharmaceutical market is worth more than \$8 billion," Venus said in a filing to the Bombay Stock Exchange (BSE). With this approval, the company will be able to market its oncology and carbapenem products in all GCC countries comprising Saudi Arabia, Kuwait, Qatar, UAE, Bahrain and Oman.
