

2-day international bio meet in Hyderabad

Our Bureau

Hyderabad, Sep. 12

The two-day, BIO India international conference will be held in Hyderabad during September 21-22. It will bring together biotechnology and pharma companies from North America, Europe and Asia to meet and explore business opportunities with India's emerging biotech sector.

Keynote addresses by Mr G.V. Prasad, Vice-Chairman and Chief Executive Officer, Dr Reddy's Laboratories,

Ltd., Aaron Schacht, Executive Director and Chief Operating Officer, Global External R&D, Eli Lilly & Company and Mr Glenn Saldanha, Managing Director and CEO, Glenmark Pharmaceuticals, will be the highlights.

The conference will also feature company presentations, exhibition and networking opportunities. Experts will discuss innovation and financing, and global biopharma among other topics.
